

RO Hot and Cold Water Purification System - WP-006

Product Data			
Application:	Household Kitchen Office	Power Source:	Electric
Heating Element:	PTC	Installation:	Desktop
Certification:	CB, ce	Function:	Heating and purification
Use:	Under Sink	Place of Origin:	China
Color:	ODM	Material:	ABS
Product Name:	Hot and Cold Water Dispenser	Type:	Reverse Osmosis, Reverse Osmosis
Feature:	Easy Operation	Style:	Portable Size
Voltage:	220, 220v	Power:	700W
Supply ability:	5000pcs/day	Packing:	PPbag,foam,and corrugated carton

- ❖ Alkaline RO water purifier maintains pH Level
- ❖ Direct Drinking Cold water available.
- ❖ Ready to use Boiling Hot water for tea & coffee.
- ❖ Child Tap Lock for Hot water Dispensing.
- ❖ Inbuilt 9 litres Pure water storage.

- ❖ LED Display Screen to Monitor Machine Status.
- ❖ Dual mode / mounting.
- ❖ Intelligent Auto membrane Flushing System.
- ❖ Dimensions : W 22" , H 18" , D 7"
